**FY22 Single Audit**  
**Questions & Answers**  
*Updated 7/6/22*

**Q1: Was FMPO audited in FY21?**

A1: We were not audited in FY2021 as we had not met the \$750,000 threshold. It was our first year as an independent entity, separate from the City of Flagstaff.

**Q2: What is the preferred timeline for the audit?**

A2: As long as the audit is completed by March 31, 2023, the timeline is up to the auditor. As a small organization, we can be flexible with your schedule for fieldwork dates.
